## FRONT KIT

<b>DREAM XXI N LPG</b>	5
<b>Kit for injection engines with catalyser and lambda probe</b>	
With catalytic device REG-MATIC MILLENNIUM	5
With deceleration switch 410115.1	5
With actuator "REG-MATIC" GAS SELF SETTING	5
Reduced Kits (without pipes and clamps)	5
With actuator "REG-MATIC" GAS SELF SETTING	5
<b>Kit for injection engines</b>	
For injection engines with deceleration switch 410115.1	5
<b>Kit for carburettor engines</b>	5

## COMPONENTS

<b>LPG Reducers</b>	
Kit for carburettor engine supplied without switch	6
Boxes of LPG reducers	6
Boxes of LPG reducers + solenoid valves	6
<b>Devices for cars with catalytic muffler</b>	
REG-MATIC MILLENNIUM	6
"REG-MATIC" MILLENNIUM Accessories	
REG-MATIC GAS SELF SETTING	6
"REG-MATIC" GAS SELF SETTING Accessories	
Econ-Ec	
<b>Solenoid Valves</b>	7
<b>Change over switches</b>	
For vacuum reducer, not preset for level indicator	7
For vacuum reducer, preset for level indicator	7
For electronic reducers, not preset for level gauge	7
For electronic reducers, preset for level indicator (ECE 67 R.01)	7
<b>LPG level sensor kit</b>	
For switches preset for level gauge	7
<b>LPG level indicator</b>	7
<b>Injection cars harness cables</b>	7
<b>LPG multivalves with "Secure Block" device</b>	
ECE 67 R.01 For cylindrical tanks with safety valve and thermofuse	8
ECE 67 R.01 For toroidal tanks with safety valve and thermofuse	9

## ACCESSORIES

<b>Dream XXI N Accessories</b>	
Injector cut-off cables	10
Software and serial cable	10
Injection rail unit nozzles	10
Filters	10
<b>Cables for injection cars</b>	10
<b>Relays for injection cars</b>	10
<b>Emulators</b>	
For Injectors	11
For vehicles equipped with OBD II device	11
For Lambda probe	11
<b>Cables accessories</b>	
For switches, emulators, indicators and Timing advance processors	12
<b>Electronic accessories</b>	12
<b>Electrical accessories</b>	12
<b>Forks - Couplings - Adjusters</b>	13
<b>Hoses and Tubes</b>	
Gas Hoses	13
Gasoline hoses	13
Vacuum hoses	13
Water Hoses	13
Copper and Steel Pipes	13
Vent Hoses	13
<b>Hose clamps</b>	14
<b>Unions</b>	
Unions for LPG equipment	14
Unions for coolant hoses	14
<b>LPG Tank accessories</b>	15
<b>LPG Tank support frame</b>	15
<b>Airtight boxes</b>	15
<b>LPG Equipment Accessories</b>	15

## SPARE PARTS

<b>DREAM XXI spare parts</b>	
Injection Rail Unit	16
Reducers	16
ECU - Electronic Control Unit	16
Cablings	16
Miscellaneous	16

This catalogue, precious tool for all the technicians installing REG<sup>®</sup> components, will be kept up-dated by OMVL, through a regular dispatch of the latest information on perforated pages, that only need to be inserted in the catalogue already in the Customer's possession. This simple but essential operation will ensure that this publication remains an efficient and reliable reference tool.

Reproduction, duplication and translation of this publication, including excerpts therefrom, is only to ensue with our previous written consent and with particulars of source. Illustrations, descriptions, schematic diagrams and other data only serve for explanatory purposes and for presentation of the text. They cannot be used as the basis for design, installation and scope of delivery. We undertake no liability for conformity of the contents with international, national or local regulations. We reserve the right to make changes at any time, without prior notice.

## DREAM XXI N LPG

### Complete Kit

Complete Kit Reducer, ECU, injection rail unit, LPG filter on gaseous phase, switch with LPG level sensor, injector gas hoses, gas hoses from reducer to metering unit, differential pressure sensor, water hoses, copper tube, vacuum hoses and LPG level sensor for OMVL multivalve, fitting accessories

900802 Complete Kit for 4 Cylinder vehicles Stand Alone

900811 Complete Kit for 3 Cylinder vehicles

900810 Complete Kit for 4 Cylinder vehicles

900812 Complete Kit for 5 Cylinder vehicles

900813 Complete Kit for 6 Cylinder vehicles

900814 Complete Kit for 8 Cylinder vehicles

900823 Complete Kit for 4 Cylinder vehicles boxer

Reducer / Vaporizer

ECU Electronic Control Unit

### Mini Kit

Reducer, ECU, injection rail unit, LPG filter on gaseous phase, switch with LPG level sensor, injector gas hoses, gas hoses from reducer to metering unit, differential pressure sensor, fitting accessories

900815 MiniKit for 3 Cylinder vehicles

900816 MiniKit for 4 Cylinder vehicles

900817 MiniKit for 5 Cylinder vehicles

900818 MiniKit for 6 Cylinder vehicles

900819 MiniKit for 8 Cylinder vehicles

Injectronic Control Unit

### Kit for injection engines with catalyser and lambda probe

With catalytic device REG-MATIC MILLENNIUM

900140 With reducer R90/E up to EURO 4

With deceleration switch 410115.1

900127QD With reducer R90/E for Bosch mono injection Kat.+Econ-Ec

900128QD With reducer R90/E for standard injection Kat. + Econ-Ec

With actuator "REG-MATIC" GAS SELF SETTING

900127QD.1 With reducer R90/E for cat.injection cars + REGMATIC

Reduced Kits (without pipes and clamps)

900125QD With reducer R90/E for Bosch mono injection Kat.+Econ-Ec

900126QD With reducer R90/E for standard injection Kat.+Econ-Ec

With actuator "REG-MATIC" GAS SELF SETTING

900125QD.1 With reducer R90/E for cat.injection cars + REGMATIC

### Kit for injection engines

For injection engines with deceleration switch 410115.1

900107/IQD With R90/E standard injection electronic reducer

### Kit for carburettor engines

900107/CQ With R90/E electronic reducer and switch 410116

Charge-over switch gas/petrol

# COMPONENTS

**Code**      **Description**

## LPG Reducers

Reducer / Vaporizer

### Kit for carburettor engine supplied without switch

901800	R04 REGBULL LPG Multifunctional Pressure Reducer
901501K	R90/E cat., electronic for catalytic injection ECE 67R.01
901504K	R90/E electronic D.8 for catalytic injection ECE 67R.01

### Boxes of LPG reducers

CF10R90CAT	Box of 10 reducers 901501K
------------	----------------------------

### Boxes of LPG reducers + solenoid valves

CFR90ECAT+E	Box of 10 reducer 901501K and 10 solenoid valves model "E" 902017
CFR90ECAT+S	Box of 10 reducers 901501K and 10 solenoid valves model "S" 902012

R04 REGBULL

## Devices for cars with catalytic muffler

### REG-MATIC MILLENNIUM

411031	"REG-MATIC" MILLENNIUM electronic actuator, supplied with switch, electronic control unit and accessories
--------	---

### "REG-MATIC" MILLENNIUM Accessories:

411028	"REG-MATIC" MILLENNIUM serial interface
411030	"REG-MATIC" MILLENNIUM Software feed back (CD)
411032	"REG-MATIC" MILLENNIUM hand-held tester

KIT REG-MATIC MILLENNIUM

### REG-MATIC GAS SELF SETTING

915009	"REG-MATIC" Gas Self Setting complete electronic actuator, with electronic control unit and standard cables.
--------	--

### "REG-MATIC" GAS SELF SETTING Accessories

410136	Cable with adjusting push-button for "REG-MATIC" car's deskboard
410137	Cable with adjusting push-button for "REG-MATIC"

REG-MATIC MILLENNIUM  
serial interface

### Econ-Ec

915004	"Econ-Ec" electro-pneumatic device, without electronic control unit
410111	"Econ-Ec" electronic control unit - 0.53 Volt, 5 wires - for BOSCH monoinjection
410112	"Econ-Ec" electronic control unit - 0.53 Volt, 5 wires - for standard injection
410054	Tester for "Econ-Ec" actuator

REG-MATIC

# COMPONENTS

**Codice**    **Descrizione**

## Solenoid Valves

902002	LPG Solenoid valve type "E" brass ECE 67 R.00
902017	LPG Solenoid valve type "E" brass ECE 67 R.01
902009	Petrol Solenoid valve brass
902012	LPG Solenoid valve type "S" brass ECE 67 R.01

LPG Solenoid valve

## Change over switches

**For vacuum reducer, not preset for level indicator**

410015	With led and manual primer, without carburettor filling
--------	---

**For vacuum reducer, preset for level indicator**

410045	With manual primer, without carburettor filling
--------	---

410046	With manual primer and carburettor filling
--------	--

**For electronic reducers, not preset for level gauge**

410103	Mod. "Dual fuel", gasoline engine start, acceleration fuel switch
--------	---

410109	Mod. "Dual fuel", gasoline engine start, deceleration fuel switch
--------	---

410104	Mod. "Lynx" with "Safety car" and carburettor filling, "I" series
--------	---

410105	Mod. "Lynx" with "Safety car" without carburettor filling, "I" series
--------	---

**For electronic reducers, preset for level indicator (ECE 67 R.01)**

410101.1	Mod. "Dual fuel", SMALL, gasoline engine start, acceleration fuel switch
----------	--

410115.1	Mod. "Dual fuel", SMALL, gasoline engine start, deceleration fuel switch
----------	--

410106	Mod. "Lynx" with "Safety car" without carburettor filling
--------	---

410116	Mod. "Lynx" with "Safety car" and carburettor filling
--------	---

Charge-over switch gas/petrol

## LPG level sensor kit

**For switches preset for level gauge**

411034	For LPG OML "SECURE BLOCK" multivalves ECE R67.01
--------	---

411040	For Tomasetto LPG RIGHT multivalves R67.01 Standard 0-90 Ohm
--------	--

411026	For LPG valves USA version (0-90 Ohm) for 4 holes tank i
--------	--

411027	For LPG valves Holland version (0-90 Ohm) for 4 holes tank
--------	--

410165	Adapter from gauge 0-90 Ohm to pre-set switch for level indicator
--------	---

411018	Adapter from gauge 0-95 Ohm to pre-set switch for level indicator
--------	---

## LPG level indicator

422077	With 5 leds (without sensor kit)
--------	----------------------------------

## Injection cars harness cables

410070	For injectors cut-off on 4 cylinders engines, with "Timing relay"
--------	---

**NOTE: For 8 cylinders engine, use 2 cables Code 410070**

410071	For injectors cut-off on 6 cylinders engines, with "Timing relay"
--------	---

410074	For injectors cut-off on Alfa Romeo "boxer" engine, with "timing relay"
--------	---

LPG multivalves with  
"Secure Block" device

## COMPONENTS

**Code**      **Description**

### LPG multivalves with "Secure Block" device

ECE 67 R.01 For cylindrical tanks with safety valve and thermofuse

427001	OMVL for D. 200 tank, hole set at 30°, with filling plu
427002	OMVL for D. 244 tank, hole set at 30°, with filling plug
427003	OMVL for D. 270 tank, hole set at 30°, with filling plug
427004	OMVL for D. 300 tank, hole set at 30°, with filling plug
427005	OMVL for D. 315 tank, hole set at 30°, with filling plug
427006	OMVL for D. 360 tank, hole set at 30°, with filling plug
427007	OMVL for D. 400 tank, hole set at 30°, with filling plug
427008	OMVL for D. 200 tank, hole set at 37°, with filling plug
427009	OMVL for D. 244 tank, hole set at 37°, with filling plug
427010	OMVL for D. 270 tank, hole set at 37°, with filling plug
427011	OMVL for D. 300 tank, hole set at 37°, with filling plug
427012	OMVL for D. 315 tank, hole set at 37°, with filling plug
427013	OMVL for D. 360 tank, hole set at 37°, with filling plug
427014	OMVL for D. 400 tank, hole set at 37°, with filling plug
427015	OMVL for D. 200 tank, hole set at 90°, with filling plug
427016	OMVL for D. 244 tank, hole set at 90°, with filling plug
427017	OMVL for D. 270 tank, hole set at 90°, with filling plug
427018	OMVL for D. 300 tank, hole set at 90°, with filling plug
427019	OMVL for D. 315 tank, hole set at 90°, with filling plug
427020	OMVL for D. 360 tank, hole set at 90°, with filling plug
427021	OMVL for D. 400 tank, hole set at 90°, with filling plug

## ECE 67 R.01 For toroidal tanks with safety valve and thermofuse

427500	OMVL for D. 180 tank, hole set at 30°, with filling plug
427501	OMVL for D. 200 tank, hole set at 30°, with filling plug
427502	OMVL for D. 204 tank, hole set at 30°, with filling plug
427503	OMVL for D. 210 tank, hole set at 30°, with filling plug
427504	OMVL for D. 220 tank, hole set at 30°, with filling plug
427505	OMVL for D. 225 tank, hole set at 30°, with filling plug
427506	OMVL for D. 230 tank, hole set at 30°, with filling plug
427507	OMVL for D. 240 tank, hole set at 30°, with filling plug
427508	OMVL for D. 250 tank, hole set at 30°, with filling plug
427509	OMVL for D. 260 tank, hole set at 30°, with filling plug
427510	OMVL for D. 270 tank, hole set at 30°, with filling plug
427511	OMVL for D. 180 tank, hole set at 37°, with filling plug
427512	OMVL for D. 200 tank, hole set at 37°, with filling plug
427513	OMVL for D. 204 tank, hole set at 37°, with filling plug
427514	OMVL for D. 210 tank, hole set at 37°, with filling plug
427515	OMVL for D. 220 tank, hole set at 37°, with filling plug
427516	OMVL for D. 225 tank, hole set at 37°, with filling plug
427517	OMVL for D. 230 tank, hole set at 37°, with filling plug
427518	OMVL for D. 240 tank, hole set at 37°, with filling plug
427519	OMVL for D. 250 tank, hole set at 37°, with filling plug
427520	OMVL for D. 260 tank, hole set at 37°, with filling plug
427521	OMVL for D. 270 tank, hole set at 37°, with filling plug
427522	OMVL for D. 180 tank, hole set at 90°, with filling plug
427523	OMVL for D. 200 tank, hole set at 90°, with filling plug
427524	OMVL for D. 204 tank, hole set at 90°, with filling plug
427525	OMVL for D. 210 tank, hole set at 90°, with filling plug
427526	OMVL for D. 220 tank, hole set at 90°, with filling plug
427527	OMVL for D. 225 tank, hole set at 90°, with filling plug
427528	OMVL for D. 230 tank, hole set at 90°, with filling plug
427529	OMVL for D. 240 tank, hole set at 90°, with filling plug
427530	OMVL for D. 250 tank, hole set at 90°, with filling plug
427531	OMVL for D. 260 tank, hole set at 90°, with filling plug
427532	OMVL for D. 270 tank, hole set at 90°, with filling plug
427600	OMVL for D. 145 tank, hole set at 0°, with filling plug
427601	OMVL for D. 180 tank, hole set at 0°, with filling plug
427602	OMVL for D. 200 tank, hole set at 0°, with filling plug
427603	OMVL for D. 204 tank, hole set at 0°, with filling plug
427604	OMVL for D. 210 tank, hole set at 0°, with filling plug
427605	OMVL for D. 220 tank, hole set at 0°, with filling plug
427606	OMVL for D. 225 tank, hole set at 0°, with filling plug
427607	OMVL for D. 230 tank, hole set at 0°, with filling plug
427608	OMVL for D. 240 tank, hole set at 0°, with filling plug
427609	OMVL for D. 250 tank, hole set at 0°, with filling plug
427610	OMVL for D. 270 tank, hole set at 0°, with filling plug

Multivalves with "Secure Block"

# ACCESSORIES

**Code**      **Description**

## Dream XXI N Accessories

### Injector cut-off cables

410514	Injector cut-off cable for 3 cylinders car with straight BOSCH connector
410515	Injector cut-off cable for 3 cylinders car with inverted BOSCH connector
410516	Injector cut-off cable for 4 cylinders car with straight BOSCH connector
410517	Injector cut-off cable for 4 cylinders car with inverted BOSCH connector
410518	Universal type Injector cut-off cable for 4 cylinders car without connector

N.B.

For DREAM 3 - 4 cylinders kit the injection cut-off cable to be ordered is only one  
 For DREAM 5 - 6 cylinders kit n°2 3 cylinders injection cut-off cables are required  
 For DREAM 8 cylinders kit n°2 4 cylinder injection cut-off cables are required

Software and hardware key

### Software and serial cable

410523	Kit installation Software for "Installer"
410524	Kit installation Software + hardware key
410519	Software + hardware key for "Emission Test"
411028	Kit installation Software + pc serial interface
411050	USB interface for Pc

### Injection rail unit nozzles

01408	Injection rail unit nozzle diam. 2.5 mm
01442	Injection rail unit nozzle diam. 2.0 mm
01444	Injection rail unit nozzle diam. 1.75 mm
01445	Injection rail unit nozzle diam. 3 mm
900083	Package nr. 20 Injection rail unit nozzles diam. 2.5 mm
900081	Package nr. 20 Injection rail unit nozzles diam. 2.0 mm
900085	Package nr. 20 Injection rail unit nozzles diam. 1.75 mm
900086	Package nr. 20 Injection rail unit nozzles diam. 3 mm

Injection rail unit nozzles

### Filters

900011	LPG for gaseous phase (to be placed between reducer and injection rail unit)
--------	--

Filters

### Cables for injection cars

410070	For Injector cut-off on 4 cylinders engines supplied with "timing relay" <b>NOTE: Nr 2 cables 410070 are required for 8 cylinders</b>
410071	For Injector cut-off on 6 cylinders engines supplied with "Timing relay"
410074	For Injector cut-off for Alfa Romeo "boxer" engine supplied with "Timing relay"

### Relays for injection cars

410020	12V, 30Amp injection car relay
410064	Timing relay
410073	Adjustable Timing relay
410083	Double timing relay
410091	KEY-CODE electronic relay
410131	30Amp double switch relay

Timing relay

## Emulators

### For Injectors

410159	Single bank injector emulator (it replaces cod 410030 AEB450)
410160	Dual bank injector emulator, 4 or 6 cylinders engine (it replaces code 410036 AEB451)
410049	For Renix injection engines
410052	"Oxigen sensor" simulator
410059	For MERCEDES M200
410061	For FIAT TEMPRA and LANCIA DEDRA 1.8 / 2.0 cat. Multipoint injection
410062	For ALFA ROMEO 155 e 164 cat.
410063	For FIAT PANDA cat.
410065	For HONDA bi-iniezione
410066	For OPEL ASTRA
410075	For NISSAN PRIMERA 1.6 16V multipoint injection
410077	M.A.P. sensor
410082	For LANCIA "K"
410089	For VOLVO 1.5 ohm mono-injection
410123	Mod. KNOCK
410127	For HYUNDAI LANTRA 1.6i - 1.8i SIEMENS multipoint injection
410133	Mod. Archimede for 4 cylinders ISUZU engine
410146	Mod. Pitagora "AEB 160"
410147	Mod. Pitagora "AEB 160-J" for 4 cylinders Japan engines
410148	Mod. Pitagora "AEB 160-H" for HONDA engines
410149	Mod. Pitagora "AEB 160-S" for 4 cylinders SUBARU engine
410150	Mod. Pitagora "AEB 160-B" for 4 cylinders "boxer" engine
410151	Mod. Pitagora "AEB 160-FB" for FIAT BRAVO e BRAVA
410152	Mod. Pitagora "AEB 160-5" for 5 cylinders engine
410153	Mod. Pitagora "AEB 160-6" for 8 cylinders engine
410154	Mod. Pitagora "AEB 160-N" for 4 cylinders NISSAN engine
410155	For IAW AMERICA injection engine
410146.1	Mod. Pitagora 4 cylinders "Universal" Type
410149.1	Mod. Pitagora 4 cylinders Subaru Forester
410153.1	Mod. Pitagora 6 cylinders "Universal" Type

### For vehicles equipped with OBD II device

410323	OBD II-μFIX "424"
410324	OBD II-μFIX "425"
410325	OBD II-μFIX "426" (it replaces code 410162 AEB 421)
411038	Diagnostic had-held Tester for OBD II device
410170	Programming kit for OBD II device
410327	Adapter from AEB 425 to lamda probe in tension

### For Lambda probe

410051	For BOSCH mono-injection
410085	For OPEL ECOTEC 16V
410086	For reverse signal 5Volt Lambda probe, VOLVO 840 10V
410087	For resistive Lambda probe, ALFA ROMEO 145 1.300cc
410134	For VOLVO 850 GLT 20v 2.0 BOSCH injection

Emulatore MAP

Dual bank injector emulator

Pitagora "AEB 160" Emulator

OBD II-μFIX "425" emulator

Diagnostic had-held Tester for OBD II device

# ACCESSORIES

**Code**      **Description**

## Cables accessories

For switches, emulators, indicators and Timing advance processors

410056	Extension for LPG level sensor
410081	Extension for "I" series LPG level sensor
410055	Cables and accessories for Econ-Ec remote unit / change over switch processor
410055I	Cables for "I" series indicator
410079	Cables for 410061 - 410062 - 410066 emulators

## Electronic accessories

410156	"SPHERENET" kit electromagnetic noises blanker (1 pair)
410043	Idling stabilizer
410171	Mechanical idling adjuster
410076	Signal amplifier
410167	RPM Signal amplifier multiplier
410168	RPM signal doubler for bi-bobbins engine
410169	RPM multiplier
410080	5Volt Lambda probe adapter
410100	Adjustable "Safety car", without change-over switch
410117	Starting protection
410120	BOSCH mono-injection idling stabilizer
410121	MAP-GAS, MAP signal optimizer
410124	K/J stop device
410128	Adapter with temperature sensor
410129	"Cut-Off" idling valve (Injector signal)
410164	"Cut-Off" device for TPS
410321	MAP-GAS, MAP signal optimizer for Marelli I.A.W. 49F injection for FIAT Marea; Brava; Bravo LANCIA Delta; Dedra 1,6i 16V cat.
434013	available display in other languages

Cut-Off device for TPS

## Electrical accessories

410016	Pre-tinned faston
410018	Cable terminal cover
410033	"MTA" fuse holder
410034	"MTA" 5Amp lamellar fuse
410035	sp. 025/1 "MTA" "steal-electricity" connector
410047	"MTA" fuse cover
434009	Electric welder
434012	Cutter for "I" series change-over switches
434012.1	Cutter for "SMALL" series change-over switches
915007	"MTA" plate fuse holder kit

# ACCESSORIES

**Code**      **Description**

## Forks - Couplings - Adjusters

405001	Idling "2 ways" fork coupling (iron)
405002	Idling "4 ways" fork coupling
405003	Idling "2 ways" fork coupling (nylon)
405005	17x17x17 maximum "Y" fork coupling, without adjuster (nylon)
401003	Coupling diam. 8 a 90°
401004	Coupling diam. 10 a 90°, M10x1 "long"
905001	Coupling M8 for diam. 10 pipe
905002	Coupling M10 for diam. 10 pipe
905003	Coupling M12 for diam. 12 pipe
905005	Coupling M10 for diam. 16 pipe
905006	Coupling M12 for diam. 16 pipe
401010	"Y" adjuster diam. 17x17x17 1R with spring (nylon)
907001	Separate self block adjuster diam. 17x10 1R
907003	Separate self block adjuster 17x17 1R
907004	Separate self block adjuster "Y" diam. 17x10x10 1R
907005	Separate self block adjuster "Y" diam. 17x10x10 2R
401005	Noozle 14x1, pipe diam. 19, with adjuster
405004	4 ways distributor without adjuster
405025	Elbow connection at 90° M12x1 (short)

## Hoses and Tubes

### Gas Hoses

631021	Rubber hose cloth sheathed D. 12 x 17
631023	Rubber hose cloth sheathed D. 10 x 17
631024	Rubber hose cloth sheathed D. 18 x 26
631029	Rubber Hose D. 17 x 24 ECE 67 R.01 marked
631030	Rubber Hose D. 19 x 27 ECE 67 R.01 marked
631031	Rubber Hose D. 12 x 19 ECE 67 R.01 marked
631035	Rubber Hose D. 10 x 17 ECE 67 R.01 marked

### Gasoline hoses

631022	Roll of rubber hose D. 6 x 13 x 50 mt
--------	---------------------------------------

### Vacuum hoses

631002	Roll of rubber hose N220 D. 3 x 7
631004	Roll of cloth reinforced rubber hose D. 5 x 10.5

### Water Hoses

631006	Rubber hose roll D. 15 x 23 (60 mt) - € x mt.
631006C	"Gates" Roll of Rubber Hose D. 15 x 23 (15 mt)

### Copper and Steel Pipes

00799/0	Copper tube PVC coated D. 6 x 1 x 5.5 mt
00800/0	Copper tube PVC coated D. 6 x 1 x 6.25 mt
00803/0	Copper tube PVC coated D. 8 x 1 x 2.2 mt
00804/0	Copper tube PVC coated D. 8 x 1 x 2.5 mt
618005	Roll of copper tube PVC coated D. 6 x 1 x 50 mt
618007	Roll of copper tube PVC coated D. 8 x 1 da 50 mt
00796/1	Roll of electrically welded steel tube PVC coated D. 6 x 1 x 6 mt
00796/2	Roll of seamless steel tube PVC coated D. 6 x 1 x 6 mt

### Vent Hoses

631040	Roll of black MOPLEN hose D. 30 x 50 mt
631041	Roll of black PVC hose D. 30 x 50 mt
430016	Extensible vent hose cm. 70 long

# ACCESSORIES

**Code**      **Description**

## Hose clamps

415002	D.10 clamp for D. 8 x 1 tube
415003	D. 8 clamp for D. 6 x 1 tube
415004	135 x 2.6 black nylon clamp
415007	200 x 2.6 black nylon clamp
415014	240 x 8 black nylon clamp
415025	D. 10 x 18 screw clamp (gasoline hose)
415024	D. 12 x 22 screw clamp (minimum batch 1.000 pcs)
415009	D. 16 x 25 screw clamp (water hose)
415010	D. 20 x 32 screw clamp
415011	D. 25 x 40 screw clamp
415012	D. 32 x 50 screw clamp
415013	D. 40 x 60 screw clamp (minimum batch 800 pcs)
415015	Split pin clamp 270 x 9
415016	Split pin clamp 250 x 5
415017	Split pin clamp 400 x 9
415020	Bifilar clamp 7.8 / 8.3 with spring
415021	Bifilar clamp 25.1 / 26.4 with spring
415022	Rubber coated clamp for D. 8 tube (minimum batch 100 pcs)
415023	Rubber coated clamp for D. 6 tube

## Unions

### Unions for LPG equipment

430027	Long lock fitting M12 x 1 (steel)
430032	Long lock fitting M12 x 1 for D. 8 copper tube (iron)
00602/0	Lock fitting M10 x 1 (brass)
00538/0	Lock fitting M10 x 1 (iron)
00612/0	Lock fitting M12 x 1 (steel)
00548/0	Intermediate fitting M12 x 1 (brass)
00548/1	Intermediate fitting M12 x 1 (stainless steel AISI 316)
00680/0	Gauge holder "T" fitting (brass)
450005	Complete M10 x 1 "T" fitting for D. 6 copper tube
00613/0	Steel biconic gland for D. 6 tube
00613/1	Stainless steel AISI 316 bicone for D. 6 tube
00747/0	Brass biconic gland for D. 8 tube
00550/1	M12 x 1 cap
00557/0	M10 x 1 cap
450007	Complete M12 x 1 union for D. 6 copper tube

### Unions for coolant hoses

450001	Nylon "T" D. 20 x 20 x 16 union
00522/1	Nylon "T" D. 17 x 17 x 17 union
00585/1	Nylon "T" D. 17 x 14 x 14 union
450002	D. 16 x 16 union
450003	D. 16 x d. 10 adapter
450004	D. 16 x d. 8 adapter
00715/0	D. 16 x d. 12 adapter

# ACCESSORIES

**Code**      **Description**

## LPG Tank accessories

422048	Coupling for D. 8 biconic gland
423002	Tank clamp tie rod
423005	Remote control cable, toroidal tank's cap
423004	Toroidal tank remote control cap
423001	23 x 1.5 x 1.000, tank clamps pair, complete with bolts and tie rods
423030	30 x 1.5 x 1.200 tank clamps pair, complete with bolts and tie rods
423003	ABS cover for toroidal tanks multivalve
423016	ABS cover for OMVL 67 R.01 toroidal tanks multivalve
423038	Plate cover for Diam. 580 "external" toroidal tank
423008	Plate cover for Diam. 600 "external" toroidal tank
423033	Plate cover for Diam. 650 "external" toroidal tank
423043	Insulating pad for toroidal tank
423010	D. 30 plastic vent hose for airtight box
423012	Plastic "K30" Type trunk vent hose connection
423039	Middle size nylon spare tire cover
423040	Big nylon spare tire cover
423041	Big nylon thin spare tire cover
423042	Nylon small thin spare tire cover

## LPG Tank support frame

423006	Cross support for "external" toroidal tank
423020	Universal tank support complete with fitting nuts
423021	Support for FIAT 131, without clamps
423023	Support for FIAT UNO, without clamps
423025	Support for LANCIA DELTA, without clamps
423026	Support for VOLKSWAGEN GOLF (1998), without clamps
423027	Support for FIAT TIPO, without clamps
423028	Support for AUDI 80, without clamps
423032	Support for MERCEDES N.T., without clamps
423036	Support for FIAT PUNTO, without clamps
423037	Support for FIAT TIPO, without clamps (Long model)
423014	Fitting for "internal" GHEZZI toroidal tank

## Airtight boxes

424206	OMVL, Mod. AIR LOCK for 67 R.01 cylindrical tanks
--------	---

## LPG Equipment Accessories

440011	Intake alluminium manifold for RENAULT 16V engines
422043	Filling tap adaptor
422045	16PC 00990004 plastic cap for filling tap
422046	16PC 00990003 plastic cap for filling tap
422054	Float for OMVL multivalve
423013	Inset box for filling tap
424200	OMVL separate filling tap
424203	Filling tap kit for gasoline cap insert box
440001	Oil meter
440002	LPG Filter
440003	VOLKSWAGEN "dry" pre-heater
900068	OMVL multivalve accessories

Airtight boxes

## DREAM XXI spare parts

**Injectronic Control Unit**

**Reducer / Vaporizer**

**ECU Electronic Control Unit**

**LPG solenoid valve for reducer**

### Injection Rail Unit

904005	DREAM XXI-N IP54 4C metering unit kit
904006	DREAM XXI-N IP54 3C metering unit kit
904007	DREAM XXI-N IP54 5C metering unit kit
904008	DREAM XXI-N IP54 8C metering unit kit
904009	DREAM XXI-N IP54 6C metering unit kit

### Reducers

901702	DREAM XXI 3-4 cyl. Reducer
901704	DREAM XXI N 3-4 cyl. Reducer
901705	DREAM XXI N 5-6-8 cyl. Reducer
901702	DREAM XXI N Reducer Medium Power

### ECU - Electronic Control Unit

411035	DREAM XXI 3 - 4 cylinders ECU
410509	DREAM XXI N 3 - 4 cylinders ECU
410521	DREAM XXI N 5 - 6 - 8 cylinders ECU

### Cablings

410509	Black cable (various connections) DREAM XXI N 3-4 cyl. ECU 400001
410511	Grey cable (injector connection) DREAM XXI N 3-4 cyl. ECU 400001
410522	DREAM XXI N 5-6 8 cyl. ECU cables 400002

### Miscellaneous

424207	Gasket for OMLV multivalve mod. Secure-Block 67 R.01
424202	Cover for OMLV airtight box mod. Air Lock 67 R.01
900087	Package of 5 unions 90° 01385 reducer gas outlet K901704 - K90102
900088	Package of 5 unions 120° 01455 reducer gas outlet K901704 - K90102
900089	Package of 10 water unions 00725/0
402001	LPG solenoid valve for reducer K901704
402002	LPG solenoid valve for reducer K901705 K901707 - K901708 - K901709
900090	Package of 5 Bobbins IP67 409004 for metering unit
900091	Package of 5 reducer temperature sensor with tap and unions IP54 10565
900092	Package of 5 injection rail taps with temperature sensor and PTP (pressure test point) 10568
900035	Membrane and gasket kit for reducer R90/E electronic
900065	Membrane and gasket kit for reducer Boreg 95
900093	Membrane and gasket kit for reducer K901704
900094	Membrane and gasket kit for reducer K901705
900097	Package of 10 "T" plastic unions for compensating tubes code 405033
900098	Package of 10 "Click" clamps for 4x10 tubes code 415027
900099	Package of 10 "Click" clamps for 12x19 tubes code 415026
410512	DREAM XXI N differential map sensor
410508	Change-over switch DREAM XXI N

## DREAM XXI N - CNG

### Complete Kit

Reducer, ECU, injection rail unit, switch supplied with CNG level sensor, injector gas hoses, gas hose connecting reducer to rail, differential pressure sensor, water hoses, steel tube, vacuum hoses, filling valve - Italian version tank valve, fitting accessories

900702	Complete Kit for 4 Cylinder vehicles Stand Alone
900705	Complete Kit for 3 Cylinder vehicles
900704	Complete Kit for 4 Cylinder vehicles
900706	Complete Kit for 5 Cylinder vehicles
900707	Complete Kit for 6 Cylinder vehicles
900708	Complete Kit for 8 Cylinder vehicles

### Mini Kit

Reducer, ECU, gas injection rail, switch with gas level sensor, injection gas hoses, gas hose connecting reducer to rail, differential pressure sensor, gas level sensor, fittings accessories

900709	Minikit for 3 Cylinder vehicles
900710	Minikit for 4 Cylinder vehicles
900711	Minikit for 5 Cylinder vehicles
900712	Minikit for 6 Cylinder vehicles
900713	Minikit for 8 Cylinder vehicles

### Kit for injection engines with catalyser and lambda probe

	<b>With Catalytic Device REG-MATIC MILLENNIUM</b>
900188	With reducer R89/E up to EURO 4
	<b>With deceleration switch 410115.1 and Pressure Sensor 411010 and Non-return Filling Valve Reduced Kits (without pipes and clamps)</b>
900176RP	With Reducer R89/E for monoinjection BOSCH Kat.+Econ-Ec
900177RP	With Reducer R89/E for standard injection Kat.+Econ-Ec
	<b>With actuator "REG-MATIC" GAS SELF SETTING</b>
900176RP.1	With Reducer R89/E for injection Kat. + REG-MATIC
	<b>With Deceleration Switch 410115.1 and Pressure Sensor 411010</b>
900178RP	With Reducer R89/E for monoinjection BOSCH Kat.+Econ-Ec
900179RP	With Reducer R89/E for standard injection Kat. +Econ-Ec
	<b>With actuator "REG-MATIC" GAS SELF SETTING</b>
900178RP.1	With Reducer R89/E for Injection Kat. + REG-MATIC

### Kit for Injection Engines

	<b>For Injection engine with deceleration switch 410115.1</b>
900163/IRP	With Electronic Reducer R89/E for standard injection, PVC coated copper tube
900164/IRP	With Electronic Reducer R89/E for standard injection, PVC coated steel tube

### Kit for Carburetor Engines

	<b>Supplied with Switch and Pressure Sensor 411010</b>
900163/CRP	With Electronic Reducer R89/E, PVC Coated Copper Tube and Switch 4101116
900164/CRP	With Electronic R89/E Reducer, PVC Coated Steel Tube and Switch 4101116
	<b>Supplied with Switch without Level Indicator</b>
900163/CO	With Electronic R89/E Reducer, PVC Coated Copper Tube and Switch 4101104
900164/CO	With Electronic R89/E Reducer, PVC Coated Steel Tube and Switch 410104

Reducer / Vaporizer

ECU Electronic Control Unit

Injetronic Control Unit

Charge-over switch gas/petrol

# COMPONENTS

## CNG REDUCERS

Reducer / Vaporizer

R04 REGBULL

KIT REG-MATIC MILLENNIUM

REG-MATIC Millennium  
serial interface

REG-MATIC

### CNG Reducers without Switch

901300	R04 REGBULL CNG Multifunctional Pressure Reducer
901100	Electronic R89/E, for carburetor or injection systems
901100K	Catalytic Electronic R89/E for catalytic injection systems
901100.8	Electronic R89/E D.8, for carburetor or injection systems

### Boxes of CNG Reducers

CF10R89E	Boxes of 10 reducers 901100
CF10R89ECAT	Boxes of 10 reducers 901100K
	Att. : packaging costs to be evaluated

### Accessories for Reducers

915008	Gas outlet nipple 90°, male/female D.19, for R89/E and R90/E reducers
--------	---

## Devices for cars with catalytic muffler

### REG-MATIC MILLENNIUM

411031	"REG-MATIC" MILLENNIUM electronic actuator, supplied with switch, electronic control unit and accessories
--------	---

### "REG-MATIC" MILLENNIUM Accessories

411028	"REG-MATIC" MILLENNIUM Serial Interface
411030	"REG-MATIC" MILLENNIUM feed-back software
411032	"REG-MATIC" MILLENNIUM hand -held tester

### REG-MATIC GAS SELF SETTING

915009	"REG-MATIC" Gas Self Setting complete electronic actuator, supplied with electronic control unit and standard cables
--------	--

### "REG-MATIC" GAS SELF SETTING Accessories (quantity to be specified when ordering)

410136	Cable with setting push button for "REG-MATIC"
410137	Setting push button for "REG-MATIC"

### ECON-EC

915004	Econ-Ec" Electro-pneumatic device with electronic control unit
410111	Econ-Ec" Electronic control unit - 0.53 Volt wit 5 wires for monoinjection BOSCH engine
410112	"Econ-Ec" Electronic control unit - 0.53 Volt with 5 wires for standard injection engine
410054	Tester for "Econ-Ec" actuator

# COMPONENTS

**Code**      **Description**

## Solenoid Valves

902009      Petrol Solenoid valve brass

## Change over switches

For vacuum reducer, not preset fol level indicator

410015      With led and manual primer, without carburettor filling

For vacuum reducer, preset fol level indicator

410045      With manual primer, without carburettor filling

410046      With manual primer and carburettor filling

For electronic reducers, not preset for level gauge

410103      Mod. "Dual fuel", gasoline engine start, acceleration fuel switch

410109      Mod. "Dual fuel", gasoline engine start, deceleration fuel switch

410104      Mod. "Lynx" with "Safety car" and carburettor filling, "I" series

410105      Mod. "Lynx" with "Safety car" without carburettor filling, "I" series

For electronic reducers, preset for level indicator (ECE67 R.01)

410101.1      Mod. "Dual fuel", SMALL, gasoline engine start, acceleration fuel switch

410115.1      Mod. "Dual fuel", SMALL, gasoline engine start, deceleration fuel switch

410106      Mod. "Lynx" with "Safety car" without carburettor filling

410116      Mod. "Lynx" with "Safety car" and carburettor filling

## CNG Pressure Sensor Kit

For change over switches suitable for indicators

411010      CNG Sensor Kit

411016      "I" type sensor Kit, radial connection

410157      CNG Pressure Sensor Kit for reserve

## Gauges

430010      400 bar, back attachment 1/4" Gas with gasket

430012      400 bar, radial attachment 1/4" Gas with gasket

00590/0      Copper gasket for gauge 1/4" Gas

Charge-over switch gas/petrol

Gauge

## Accessories for Dream XXI N

### Injector cut-off cables

410514	Injector cut-off cable for 3 cylinders car with straight BOSCH connector
410515	Injector cut-off cable for 3 cylinders car with inverted BOSCH connector
410516	Injector cut-off cable for 4 cylinders car with straight BOSCH connector
410517	Injector cut-off cable for 4 cylinders car with inverted BOSCH connector
410518	Universal type Injector cut-off cable for 4 cylinders car without connector

#### Attention to:

Only 1 injection cut-off cable has to be ordered for DREAM 3-4 cylinders kit

Nr 2 injection cut-off cables for 3 cylinders car are required for DREAM 5 - 6 cylinders kit

Nr 2 injection cut-off cables for 4 cylinders car are required for DREAM 8 cylinders kit

Software and hardware key

Injection rail unit nozzles

### Software and Serial Cable

410523	Kit installation Software for " Installer"
410524	Kit installation Software + hardware key
410519	Software + Hardware Key for " Emissions Test "
411028	Kit Installation Software + pc Serial Interface
411050	USB PC Interface

### Injection rail unit nozzles

01408	Injection rail unit nozzle diam. 2.5 mm
01442	Injection rail unit nozzle diam. 2.0 mm
01444	Injection rail unit nozzle diam. 1.75 mm
01445	Injection rail unit nozzle diam. 3 mm
900083	Package nr. 20 Injection rail unit nozzles diam. 2.5 mm
900084	Package nr. 20 Injection rail unit nozzles diam. 2.0 mm
900085	Package nr. 20 Injection rail unit nozzles diam. 1.75 mm
900086	Package nr. 20 Injection rail unit nozzles diam. 3 mm

# ACCESSORIES

**Code**      **Description**

## Cables for Injection engines

410070	For Injector cut-off on 4 cylinders engines supplied with "timing relay" <b>NOTE: Nr 2 cables 410070 are required for 8 cylinders</b>
410071	For Injector cut-off on 6 cylinders engines supplied with "Timing relay"
410074	For Injector cut-off for Alfa Romeo "boxer" engine supplied with "Timing relay"

## Relays for Injection cars

410020	12V, 30Amp injection car relay
410064	Timing relay
410073	Adjustable Timing relay
410083	Double timing relay
410091	KEY-CODE electronic relay
410131	30Amp double switch relay

## Electronic Spark Timing Advance Processors

410202	"Platinos" Model
410215	"Spark 2" Model
410216	"Spark master" Model
410220	"Green master" Model
410221	"Wolf-N" Model
410222	"Joker" Model
410223	"Biwolf" Model
410225	"Kat. HONDA" Model
410231	"Black" Model
410310	"D.I.S. 92" Model
410237	Universal "Pick-up" Model
410238	"Mouse" Model
410326	"Koala" Model for RENAULT Kangoo - Clio - Mégane 1.4 8V

Electronic Spark Timing Advance Processor "Wolf-N" Model

## KIT for Spark Timing Advance Processors

410307	For PEUGEOT cars
410308	For OPEL cars
410309	For RENIX injections
410312	Wires for ALFA ROMEO "Spark Timing Advance Processor 2"
410313	For FIAT Bobbins
410316	For "Spark 2" bi-bobbins

# ACCESSORIES

**Code**      **Description**

## Emulators

### For Injectors

Emulatore MAP

Dual bank injector emulator

Pitagora "AEB 160" Emulator

OBD II-μFIX "425" emulator

Diagnostic had-held Tester  
for OBD II device

410159	Single bank injector emulator
410160	Dual bank injector emulator, 4 or 6 cylinders engines
410049	For Renix injection engines
410052	"Oxigen sensor" simulator
410059	For MERCEDES M200
410061	For FIAT TEMPRA and LANCIA DEDRA 1.8/2.0 Kat. Multipoint injection
410062	For ALFA ROMEO 155 and 164 Kat.
410063	For FIAT PANDA Kat.
410065	For HONDA bi-injection
410066	For OPEL ASTRA
410075	For NISSAN PRIMERA 1.6 16V Multipoint injection
410077	M.A.P. sensor
410082	For LANCIA "K"
410089	For VOLVO 1.5 ohm Mono-injection
410123	Mod. KNOCK
410127	For HYUNDAI LANTRA 1.6i - 1.8i Multipoint SIEMENS Injection
410133	Archimede Mod. for 4 cylinders ISUZU engines
410146	Pitagora Model "AEB 160"
410147	Pitagora Model "AEB 160-J" for 4 cylinders engines Japanese Type
410148	Pitagora Model "AEB 160-H" for HONDA engines
410149	Pitagora Model "AEB 160-S" for 4 cylinders SUBARU engines
410150	Pitagora Model "AEB 160-B" for 4 cylinders boxer engines
410151	Pitagora Model "AEB 160-FB" for FIAT BRAVO e BRAVA
410152	Pitagora Model "AEB 160-5" for 5 cylinders engines
410153	Pitagora Model "AEB 160-6" for 6 cylinders engines
410154	Pitagora Model "AEB 160-N" 4 cylinders NISSAN engines
410155	For Injection engines IAW AMERICA
410146.1	Pitagora Model 4 cylinders Universal Type
410149.1	Pitagora Model 4 cylinders Subaru Forester Type
410153.1	Pitagora Model 6 cylinders Universal Type

### For vehicles equipped with OBD II device

410323	OBD II-μFIX "424"
410324	OBD II-μFIX "425"
410325	OBD II-μFIX "426"
411038	Diagnostic Hand-held Tester for OBD II Systems
410170	Programming Kit for OBD II device
410327	Adapter connecting AEB 425 to lamda probe

### For Lambda Probe

410051	For BOSCH mono-injection
410085	For OPEL ECOTEC 16V
410086	For reverse signal 5Volt lambda probe, VOLVO 840 10V
410087	For resistive lambda probe, ALFA ROMEO 145 1.300cc
410134	For VOLVO 850 GLT 20v 2.0 Bosch Injection

# ACCESSORIES

**Code**      **Description**

## Cables accessories

### For Switches, Emulators, Indicators and Timing Advance Processor

410057	Extension for CNG pressure sensor 2.5 mt.
410055	Cables and Fittings for switch and Econ-Ec ECU
410055I	Cable for switch - "I" type
410079	Cable for Emulators 410061 - 410062 - 410066
410125	Cable for Timing Advance Processors 410202 - 410221 - 410222 - 410310
410138	Cable "A" for Timing Advance Processors 410237 ALFA ROMEO - PEUGEOT
410139	Cable "B" for Timing Advance Processor 410237
410140	Cable "C" for Timing Advance Processor 410237 FIAT- LANCIA - PEUGEOT
410141	Cable "D" for Timing Advance Processor 410237 VOLVO
410142	Cable "E" for Timing Advance Processor 410237
410143	Cable "F" for Timing Advance Processor 410237 MERCEDES - OPEL
410144	Cable "G" for Timing Advance Processor 410237 RENAULT
410145	Cable "H" for Timing Advance Processor 410237 RENAULT

## Electronic accessories

410156	"SPHERENET" kit- electromagnetic noise blanker (1 pair)
410043	Idling Stabilizer
410171	Mechanical Idling adjuster
410076	Signal Amplifier
410167	RPM Signal Amplifier Multiplier
410168	RPM Signal Double for bi-bobbins engines
410169	RMP Multiplier
410080	5Volt Lamba Probe Adapter
410100	Adjustable "Safety car", without change-over switch
410117	Starting protection
410120	BOSCH Mono-injection Idling Stabilizer
410121	MAP-GAS, MAP Signal Optimizer
410124	K/J stop Device
410128	Adapter wit temperature sensor
410129	Cut-off" Idling valve(Injector signal)
410164	"Cut-Off" Device for TPS
410321	MAP-GAS, MPA Signal Optimizer for Marelli I.A.W. 49F Injection for FIAT Marea; Brava; Bravo LANCIA Delta; Dedra 1,6i 16V Kat.
434013	Gas detector, display available in various languages

Cut-Off device for TPS

# ACCESSORIES

**Code**      **Description**

## Electrical accessories

410016	Pre-tinned Faston
410018	Faston Cover
410033	"MTA" fuse holder
410034	5Amp "MTA" 5amp Laminar Fuse
410035	Connector sp. 025/1 "MTA"
410047	Fuse carrier "MTA"
434009	Electric Welder
434012	Shearer for "I" type switches
434012.1	Shearer for "SMALL" type switches
915007	"MTA" Plate Fuse Holder Kit

## Forks - Couplings - Adjusters

405001	"2-ways" Idling Fork (iron)
405002	"4-ways" Idling Fork
405003	"2-ways" Idling Fork ( nylon)
405005	"maximum" Fork ( 17x17x17) without adjuster (nylon)
401003	Coupling diam. 8 a- 90°
401004	Coupling diam. 10 - 90°, M10x1 "long"
905001	Coupling M8 for diam. 10 pipe
905002	Coupling M10 for diam. 10 pipe
905003	Coupling M12 for diam. 12 tube
905005	Coupling M10 for diam. 16 pipe
905006	Coupling M12 for diam. 16 pipe
401010	"Y" Regulator diam. 17x17x17 1R with spring (nylon)
907001	Self-blocking Separated Regulator diam. 17x10 1R
907003	Self-blocking Separated Regulator diam. 17x17 1R
907004	"Y" Self-blocking Separated Regulator diam. 17x10x10 1R
907005	"Y" Self-blocking Separated Regulator diam. 17x10x10 2R
401005	Nozzle 14x1, diam. 19 pipe supplied with Regulator
405004	"4-ways" Distributor, without Regulator
405025	Union at 90°, M12x1 "short"

## Hoses and Tubes

### Gas Hoses

631021	Rubber hose cloth sheathed D. 12 x 17
631023	Rubber hose cloth sheathed D. 10 x 17
631024	Rubber hose cloth sheathed D. 18 x 26
631029	Rubber Hose D. 17 x 24 ECE 110 R.01 marked
631030	Rubber Hose D. 19 x 27 ECE 110 R.01 marked
631031	Rubber Hose D. 12 x 19 ECE 110 R.01 marked
631035	Rubber Hose D. 10 x 17 ECE 110 R.01 marked

### Gasoline Hoses

631022	Roll of rubber hose D. 6 x 13 x 50 mt
--------	---------------------------------------

### Vacuum Hoses

631002	Roll of Rubber Hose N220 D. 3 x 7
631004	Roll of Fabric Rubber Hose D. 5 x 10,5

### Water Hoses

631006	Roll of Rubber Hose D. 15 x 23 (60 mt) - € x mt.
631006C	"Gates" Roll of Rubber Hose D. 15 x 23 (15 mt)

### Copper and Steel Pipes

00799/0	Copper tube PVC coated D. 6 x 1 x 5,5 mt
00800/0	Copper tube PVC coated D. 6 x 1 x 6,25 mt
00803/0	Copper tube PVC coated D. 8 x 1 x 2,2 mt
00804/0	Copper tube PVC coated D. 8 x 1 x 2,5 mt
618005	Roll of copper tube PVC coated D. 6 x 1 x 50 mt
618007	Roll of copper tube PVC coated D. 8 x 1 da 50 mt
00796/1	Roll of electrically welded steel tube PVC coated D. 6 x 1 x 6 mt
00796/2	Roll of seamless steel tube PVC coated D. 6 x 1 x 6 mt

### Vent Hoses

631040	Roll of black MOPLEN hose D. 30 x 50 mt
631041	Roll of black PVC hose D. 30 x 50 mt
430016	Extensible vent hose cm. 70 long

# ACCESSORIES

**Code**      **Description**

## Hose clamps

415002	D.10 clamp for D. 8 x 1 tube
415003	D. 8 clamp for D. 6 x 1 tube
415004	135 x 2,6 black nylon clamp
415007	200 x 2,6 black nylon clamp
415014	240 x 8 black nylon clamp
415025	D. 10 x 18 screw clamp (gasoline hose)
415024	D. 12 x 22 screw clamp (minimum batch 1.000 pcs)
415009	D. 16 x 25 screw clamp (water hose)
415010	D. 20 x 32 screw clamp
415011	D. 25 x 40 screw clamp
415012	D. 32 x 50 screw clamp
415013	D. 40 x 60 screw clamp (minimum batch 800 pcs)
415015	Split pin clamp 270 x 9
415016	Split pin clamp 250 x 5
415017	Split pin clamp 400 x 9
415020	Bifilar clamp 7,8 / 8,3 with spring
415021	Bifilar clamp 25,1 / 26,4 with spring
415022	Rubber coated clamp for D. 8 tube (minimum batch 100 pcs)
415023	Rubber coated clamp for D. 6 tube

## Unions

### Unions for CNG equipment

430027	Long lock fitting M12 x 1 (steel)
430032	Long lock fitting M12 x 1 for D. 8 copper tube (iron)
00602/0	Lock fitting M10 x 1 (brass)
00538/0	Lock fitting M10 x 1 (iron)
00612/0	Lock fitting M12 x 1 (steel)
00548/0	Intermediate fitting M12 x 1 (brass)
00548/1	Intermediate fitting M12 x 1 (stainless steel AISI 316)
00680/0	Gauge holder "T" fitting (brass)
450005	Complete M10 x 1 "T" fitting for D. 6 copper tube
00613/0	Steel biconic gland for D. 6 tube
00613/1	Stainless steel AISI 316 bicone for D. 6 tube
00747/0	Brass biconic gland for D. 8 tube
00550/1	M12 x 1 cap
00557/0	M10 x 1 cap
450007	Complete M12 x 1 union for D. 6 copper tube

### Unions for coolant hoses

450001	Nylon "T" D. 20 x 20 x 16 union
00522/1	Nylon "T" D. 17 x 17 x 17 union
00585/1	Nylon "T" D. 17 x 14 x 14 union
450002	D. 16 x 16 union
450003	D. 16 x d. 10 adapter
450004	D. 16 x d. 8 adapter
00715/0	D. 16 x d. 12 adapter

# ACCESSORIES

**Code**      **Description**

## Tank Valves

920014	New VMB/C model hand grip - attachment M12 x 1, supplied with coupling and strip
920016	New model VMB/CPEF grip hand valve (BRAZIL)
00754/1	Grip hand for new VMB/CP valves
00754/0	Grip hand for VMB/CP valves
430029.2	Ball valve - 198-1 model - supplied with thermal link, attachment M14x1 (VENEZUELA)
430029.3	Ball valve - 198-1 model - supplied with thermal link, attachment M12x1 (VENEZUELA)
430041	Ball valve - 198-1 model - supplied with thermal link, 3/4" 14 NGT, attachment M12x1 (BRAZIL)
430009.1	Oversize valve container 198-1
430015	Valve supplied with thermal link support, diaphragm, flow, incorporated aeration 3/4" 14 NGT, attachment M12x1

**Cut-Off device for TPS**

## CNG System Fittings

440011	Manifold Renault 16V
00677/0	Filling Valve Flask
00920/0	Filling swift coupling
10508/0	Filling valve plug
430039	Assembling on line Electrovalve (220bar)
430025	Filling Swift Spindle
430011	Ball filling valve - 198-2 type, attachment M12 x 1
900064	Lever filling valve kit
430042	Non-return filling valve kit
430024	Filling valve M.12X1-1/2 GAS con Pico New Zealand Type
430026	Filling Valve M.12X1-1/2 CNG with Pico Argentina (ARGENTINA)
430040	Filling Valve supplied with NGV1-P30 - 1/2" coupling CNG (VENEZUELA)
450006	Fixing Tank Couple of band ( 1.200 x 22 x 1.5)
450008	Fixing Tank Couple of bands ( 1.200 x 30 x 1.5)
450019	Fixing Tank Couple of bands ( 1.500 x 50 x 2)
423035	Universal Square Shape Support (cng tanks) 100 cm
912001	Gasoline non-return valve Valvola, (Tube D. 7)
912010	Gasoline non-return valve (Tube D. 5)

# SPARE PARTS

**Code**      **Description**

## DREAM XXI spare parts

**Injectronic Control Unit**

**Reducer / Vaporizer**

**ECU Electronic Control Unit**

### Injection Rail Unit

904005	DREAM XXI-N IP54 4C metering unit kit
904006	DREAM XXI-N IP54 3C metering unit kit
904007	DREAM XXI-N IP54 5C metering unit kit
904008	DREAM XXI-N IP54 8C metering unit kit
904009	DREAM XXI-N IP54 6C metering unit kit

### Reducers

901200	DREAM XXI 3-4 cyl. Reducer
901202	DREAM XXI N 3-4 cyl. Reducer
901203	DREAM XXI N 5-6-8 cyl. Reducer

### ECU - Electronic Control Unit

411035	DREAM XXI 3 - 4 cyl. ECU
411044	DREAM XXI 5 - 6 - 8 cyl. ECU
410509	DREAM XXI N 3 - 4 cyl. ECU
410521	DREAM XXI N 5 - 6 - 8 cyl. ECU

### Cables

410509	Black Cable (various links) - DREAM XXI N 3-4 cyl. 400001 ECU
410511	Grey Cable (injector link) - DREAM XXI N 3-4 cyl. 400001 ECU
410522	ECU Cable - DREAM XXI N 5-6 8 cyl. 400002 ECU

## Miscellaneous

900087	Package of Nr 5 unions - 90° 01422 gas-outlet reducer K901704 - K901202
900088	Package of Nr 5 unions 120° 01455 gas-outlet reducer K901704 - K901202
900089	Package of Nr 10 water unions 00521/1
402002	Package of Nr 5 Bobbins IP54 for Reducer K901202 - K901203
900090	Package of Nr 5 Bobbins IP67 409004 for Metering Unit
900091	Package of Nr 5 Reducer Temperature Sensors supplied with plug and connector IP54 10565
900092	Package of Nr 5 metering uniti plugs supplied with temperature sensors and pressure plug 10567
900036	R89/E Electronic Repair kit
900039	R89/E1 Vacuum Repair kit
900095	Diaphragm kit and reducer gasket K901202
900096	Diaphragm kit and reducer gasket K901203
900097	Package of Nr 10 PVC "T" unions ( compensation tube 405033)
900098	Package of Nr 10 "Click" Clamps (tube 4x10 415027)
900099	Package of N 10 "Click" Clamps (Tube 12x19 415026)
410512	DREAM XXI N Differential MAP Sensor
410508	DREAM XXI N change over switch
