

KAM and Allmakes 4x4 are proud to announce a new era in Differential locking

- .. NO compressor required
- .. NO complicated wiring
- .. NO air lines
- .. FAST engagement
- .. FAST installation

It's the all-new KAM450 ...

DROP IN LOCKER

...for Land Rover Defender, Discovery, Discovery 2 and Range Rover Classic

fast-fit

This patented locker is called "Drop-in" due to the ease of installation. No cutting or welding required and installed start to finish in just a matter of hours.
